

The Drama-Play Connection

A Social Skills/Pragmatic Language Summer Program that is also a Drama Camp

Located on the beautiful campus of Regis College in Weston, D-PC is a **UNIQUE PROGRAM** for children and teens that combines direct Pragmatic Language instruction with the power of Drama to foster the development of social skills, self esteem, body language, and friendship building.

Our actors enjoy...

- **Participating in Drama Techniques** class which focuses on the use of body language and voice, as well as improvisation as a tool for teaching how to read and respond to others.
- **Starring in a Filmed Movie** which entails a great deal of group work, patience and understanding of the roles and expectations of others for both scripted in improvisation scenes.
- **Other Activities** such as arts and crafts, outdoor play, sports, swimming, and Weekly Field Trips (e.g., The Science Museum, Canobie Lake, boating, a live show or musical, etc.).
- **A 3:1 counselor to student ratio** which provides many opportunities for social coaching.

Our program runs for 6 weeks and always starts the Monday after July 4th.

Our optional Extended Day program offers activities such as film editing and graphic design, voice, fencing, etc.
