

5 Day Study Plan

Below is a 5-day study plan to prepare for an exam. Each step is broken down into parts - be sure to complete all sections, and bring all work and materials to class each day.

Day One: Organize

- Find tests, notes and quizzes that you will use to study for the exam.
- Organize a packet of information
- Identify papers that you are missing, and get a copy from a friend

Day Two: Overview

- Look over notes, tests and quizzes
- Make a list of areas in which you are least confident
- Identify the information you are confident about

Day Three: Focus your studying

- Actively study the information you don't know
- Make outlines, lists and flashcards.
- Predict essay questions and write skeleton outline answers

Day Four: Check yourself

- Quiz yourself and a classmate - say answers out loud.
- Review the information you still are unsure of

Day 5: Final Review

- Review all information
- Highlight key parts of packet you still need to review.
- Outline answers to essays from memory.
- Write lists from memory
- Get a good night's sleep!
